

集結一小時力量 POWER HOUR

地球一小時2011已於3月26日在香港圓滿結束。當晚天朗氣清，讓我們可以捕捉到此鳥瞰港島的景象。熄了燈的大廈表示香港對惜用資源、邁向更光明未來的決心。想了解如何延續地球一小時，請即登入WWF《[生命之延](#)》雜誌網站。

Earth Hour 2011 was a success. The night of 26 March was clear, making it possible for us to capture this aerial image of the Hong Kong skyline. The darkened buildings show the city's determination to conserve resources. Want to know more about how you can go beyond the hour? Check out WWF's [About Life](#) online magazine.
